Eligibility for Competitions

To be eligible for competition a member must be in good standing with dues paid for the current year.

The player must maintain a GHIN handicap; posting all scores played on a weekly basis.

Players must play to a maximum 40 handicap in all tournament events (such as Member/Guest and Member/Member).

The Tournament Chairs determine and post the rules for each tournament. Any member in good standing may enter tournaments, but must play to a handicap no higher than 40. If you have no established GHIN handicap, you must play to a zero handicap.

Players must play to course handicap in Weekly Competitions.

Playing in Competitions

For all competitions putts must be holed out. This is true on temporary greens as well. No automatic two putts or "gimmies" are allowed.

Count all strokes, including whiffs and penalties.

You must count and record all strokes for competitions on your scorecard. **Do not enter an adjusted score for competitions. Example: you have a score of 10 strokes on a hole; for competition you post the 10. Post your actual score "hole by hole" in the GHIN App or online.**

Keeping Score for all competitions

1. First and last name on scorecard
2. Date your scorecard
3. Keep a scorecard with your own scores
5. Record your strokes and total score
6. Attest your scorecard by signing
7. One player in the foursome will keep a master scorecard as a double check against scores. The master scorekeeper must attest your scorecard with their signature.

After leaving the green, the correct score should be agreed upon and recorded before starting the next hole. If there is a disagreement, take it up with the Rules Chair or Pro Shop after the round. **REFUSE** to sign any card on which you feel an incorrect score has been recorded. If you agree with the recorded score, you must attest it. Cards not bearing **TWO** signatures, missing a first and last name, or do not have the correct date in the **PROPER PLACE** will be **DISQUALIFIED** from the competition.

It is the responsibility of the playing group to make the Handicap Chair aware of any irregularities in scoring.
