

Local Rules for Ladies' Club Play Only

Three drop areas have been established on holes 3, 6, and 13. This is to help in both pace of play and enjoyment of the game. These drop areas are described below. **If you use one of the drop areas you will add a penalty stroke to your score.**

Hole 3

If you hit a ball into the water from the tee box there is a drop area over the water where you will go to hit your 3rd shot. The drop area is just over the water, to the right of the cart path, identified by a white circle.

Hole 6

A drop area has been established over the water hazard in front of the green. If you hit into the water, the drop zone is just on the other side of the water identified by a white circle. Drop a ball and take a penalty stroke.

Hole 13

The drop area has been established over the hazard at the bottom of the hill. The drop zone is identified by a white circle. Drop a ball and take a penalty stroke.

Out of Bounds Option

If ball is OB or lost outside of a penalty area. Locate point where ball went OB or is likely to be lost. Locate the nearest fairway edge, equal distance from the hole as point where ball went OB or is likely to be lost and measure 2 club lengths onto the fairway. Draw a line between these two points and drop a ball anywhere on or behind this line, no nearer to the hole. **2 Stroke Penalty**
