

Club of the Year 2024

Ladies' Golf Club at Redmond Ridge

We are proud to announce that the Ladies' Golf Club at The Golf Club at Redmond Ridge has been named the 2024 Washington Golf Club of the Year. This club exemplifies passion, inclusivity, and dedication in fostering a love of golf among women of all ages and skill levels. Their commitment to creating an inclusive culture has strengthened membership and established them as a beacon for female golfers throughout the region.

Beyond the game itself, the Ladies of Redmond Ridge give back to their community by hosting an Annual Holiday Party to raise funds for Hopelink, further showcasing their commitment to making a positive impact beyond the fairways.

The club's events are unique and tailored to all skill levels, encouraging women to take up the game and stay engaged. They provide a welcoming, friendly environment that combines competitive play with the fun, social aspects of golf. Whether it's helping beginners feel comfortable or organizing engaging activities, the club's focus on inclusivity and enjoyment sets them apart.

One member shared, "As a novice golfer, I was hesitant to join a golf league, but the Redmond Ridge Ladies Golf Club quickly dispelled my concerns. It provided the perfect environment—a welcoming space to make new friends and enhance my golf skills without any pressure."

We are thrilled to honor the Ladies' Golf Club at Redmond Ridge as the 2024 Washington Golf Club of the Year and are grateful for their contributions to the game and their community. Congratulations!
