

Tee Time Sign Up with Golf Genius

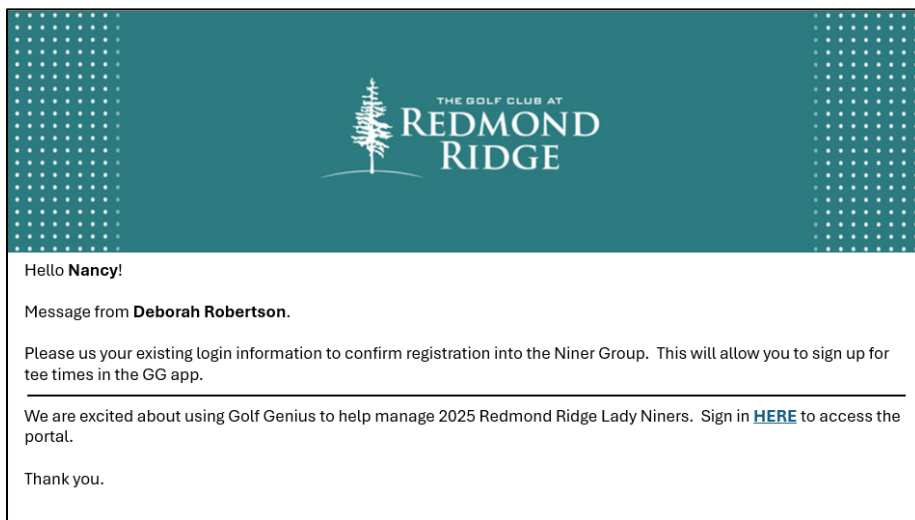

All tee time signups for league days are done through the Golf Genius app. Tee sheets for 18- and 9-holes will be available at the beginning of each month in the Golf Genius app, covering the whole month's rounds (with the exception of socials and shotgun starts). Book your own tee times, sign up with friends or new faces, and let's enjoy the game and camaraderie!

1. You must be registered for the current Redmond Ridge Ladies' Club season to have access to the tee sheets.
2. Download the Golf Genius App to your mobile phone or computer from the Apple or Android app store.

The Golf Genius App logo looks like this:

3. Once you are registered for the current season, you will receive an email from Redmond Ridge Golf Club. You will need to confirm your registration by signing in. Simply click on '[HERE](#)' in the email you received and log in with your Golf Genius username and password.

**Note: Although the email says Lady Niners, you will be registered to get tee times for both 18- and 9-holes.*

Now you are all set to select tee times! Below you will find step-by-step directions to set up tee times in Golf Genius.

When you select a time, a number of spots equal to the number of players that you are still able to add will be reserved in your tee time. A countdown timer will be displayed next to the course name, showing how long the slots are reserved for. If the time period ends, other players will be able to select spots that have not yet been filled in.

First you have to register yourself. Press the Select button to choose a tee time.
